Re: FOIA Request No.CRM-300525988 (DoJ, Crim.Div., OEO)

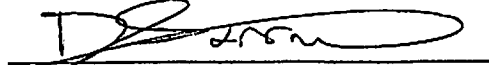

Dear Madam/Sir:

A year ago, on May 16th, 2016, I requested to receive from the Office of Enforcement Operations (OEO) copies of all records and written electronic communications regarding my person (attachment A). My request was assigned number CRM-300525988 (attachment B). My inquiries for a status update on my request, made on November 16th, 2016 and March 14th, 2017, remain unanswered (attachments C and D respectively).

A year after I made my request, I have not received the records I requested. I do not wish to "prematurely" appeal the issue; however the lack of communication is alarming and so I am requesting your involvement. Could you please arrange that I receive the records I requested or at least give me an update on when they will send them to me?

I thank you very much for your time and assistance.

Good Morning, Donatos...

It will surely not surprise you to learn that the tracking search for your FOIA came up empty. I have sent the following message to the e-mail address you provided:

I am writing on behalf of Donatos Sarras, a prisoner at USP-Tucson who cannot contact you by telephone or e-mail. He writes:

"On 5/16/16, I filed a FOIA request with the OEO regarding records containing my name. On June 6/7/16, an Amanda Marchand Jones (Acting Chief FOIA/PA Unit, OEO, Criminal Division) had acknowledged my request with a letter stating it was received 5/27/16, was assigned Request Number CRM-300525988, and that because it represents "unusual circumstances" they extend the time limit to respond beyond the ten additional days provided by statute [i.e., 5 USCS 552(a)(6)(B)(i)-(iii)]. If I wanted to modify my request, Ms. Jones gave me a phone number which goes to a voice mail so I cannot use (202-616-0307), an email (crm.foia@usdoj.gov) which I cannot use, and an address (Criminal Division, USDOJ, Suite 1127, Keeney Bldg, NW, Washington, DC 20530-0001). On 11/16/16, 3/14/17 and 5/16/17 I wrote via certified mail to the address she gave me (and also wrote to the Chief of Administrative Appeals) requesting status update(s) but I received no response. It is now 20 months since I made my request and I have received no records whatsoever."

I attempted to track this request on your website, but the result was "Sorry, no results found for CRM-300525988"

Could you please advise me via e-mail, or write to Mr. Sarras at the address below to advise the status of this request.

I will let you know what, if anything, I hear back from them.

Re: FOIA APPEAL of Request No.CRM-300525988 (OEO)

Dear Madam/Sir:

I am appealing from the OEO's decision not to provide me the records I requested. I made my FOIA request in May 2016 (exh.1) and was acknowledged by the OEO in June 2016 (exh.2). After several unanswered written status update requests (your office was made aware of the situation; exh.3), on 2/1/18 and in response to an email, the OEO sent me a note stating that "on average, it takes the FOIA/PA Unit 203 days to process a complex request... Your request has been pending for 418 business days. Potentially responsive records have been received and are under review... Please feel free to follow up...in sixty days" (exh.4). One hundred and five (105) days later, or two years after I originally made my FOIA request, I have received nothing and [again] my status update request remains unanswered.

I am requesting that you intervene and that I am promptly provided with the records I have requested.

VIA: U.S. Mail

Dear Mr. Sarras:

You attempted to appeal from the failure of the Criminal Division of the United States Department of Justice to respond to your Freedom of Information Act request for access to records concerning yourself.

Department of Justice regulations provide for an administrative appeal to the Office of Information Policy only after there has been an adverse determination by a component. See 28 C.F.R. § 16.8(a) (2017). As no adverse determination has yet been made by the Criminal Division, there is no action for this Office to consider on appeal.

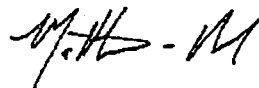

As you may know, the FOIA authorizes requesters to file a lawsuit when an agency takes longer than the statutory time period to respond. See 5 U.S.C. § 552(a)(6)(C)(i). However, I can assure you that this Office has contacted the Criminal Division and has been advised that your request is still being processed. If you are dissatisfied with the Criminal Division's final response, you may appeal again to this Office.

This Office has forwarded a copy of your letter to the Criminal Division. You should contact the Criminal Division's Requester Service Center at 202-616-0307 for further updates regarding the status of your request.

If you have any questions regarding the action this Office has taken on your appeal, you may contact this Office's FOIA Public Liaison for your appeal. Specifically, you may speak with the undersigned agency official by calling (202) 514-3642.

My name is Donatos Sarras and I am incarcerated at USP Tucson (AZ). Ms. Christie Padilla at 202-354-3182 (finance) verified that you have received my payment for \$350.00 via US Treasury check no.957111890. Accordingly enclosed please find:

1. A civil action cover sheet.
2. My Complaint (original and two copies of it).
3. Summons.

I request: (a) a scheduling order; and (b) a copy of the docket after you have entered everything into it.

Further, as you see in the enclosed "Notice to the Inmate Population", the prison's policy provides that incoming correspondence from courts (etc.) utilizing a label "may be" --not "shall be"-- accepted. Notably, I have not received back from your office my initial complaint which your office received on 2/11/19 (tracking number 70180040000018371853) and returned to me using a label. Please let me know what can be done to avoid potential future problems.
